INQUIRY

Sir:

On September 7, 2004 I paid the issue fee regarding the above application and in a recent review of my record, I noted that I never got any confirmation that the patent issued. I did, however, get my post card back indicating that you received the issue fee transmittal with all required information, payment and documents. Could you please check you file on this and advise me of the status of this matter, the issuance of the patent and the patent number.

Respectfully submitted,

J. Gary Mohr
